Good afternoon Elias,

I'm a guest producer for CNN reaching out on behalf of CNN's At This Hour w/Berman & Bolduan.

CNN would like the opportunity to interview you regarding the Esmond family becoming sick, perhaps from pesticide exposure during a trip to a resort in the U.S. Virgin Islands.

Are you available to join CNN tomorrow, Monday April 6th? This would be live interview, on camera & in studio, for about 5-6 minutes in the 11:00A et hour.

Please feel free to contact me via email or at (404) 827-3804 to let me know.

Thank you for your time; I hope we can make something work.
